GBA chief orders junction plan for Bannerghatta Road

After inspecting footpaths, Chief Commissioner M Maheshwar Rao directed officials to prepare a detailed project report for junctions between Gottigere and Tavarekere.

GBA Chief Commissioner M Maheshwar Rao directed officials to prepare a DPR for junctions between Gottigere and Tavarekere on Bannerghatta Road, according to The Bengaluru Live. The direction followed his inspection of the road's footpaths around 13 October. The paper notes it is a direction, not completed works.

The inspection found pedestrians lacked a safe pathway near Kalena Agrahara metro station, The Bengaluru Live reported. Rao ordered missing drain slabs replaced and mid-block median crossings built where needed.

The plan drew wide coverage. The Hindu and Deccan Herald report the GBA will prepare the DPR, NewsFirst Prime reports junction upgrades and safer footpaths are planned, and The New Indian Express reports the junctions are to be developed for smoother traffic movement.
