PINK LINE

Pink Line faces safety scrutiny as BMRCL prepares reply

Deccan Herald reports 36 safety and technical deficiencies on the Bannerghatta Road corridor; BMRCL is expected to respond to inspection observations next week.

Deccan Herald reported on 15 October that the Pink Line faces 36 safety and technical deficiencies, a day after the corridor was described as nearing launch following a safety review.

Metro Rail News said BMRCL received observations from the Commissioner of Metro Rail Safety on 9 October and planned to submit its compliance report on 13 October.

The Hindu reported on 13 October that BMRCL would respond to the safety inspection observations next week.

Urban Acres reports the line is targeting a March 2027 launch despite delays.

BANNERGHATTA ROAD

GBA moves to redesign Bannerghatta Road junctions

The Hindu reports that the GBA Chief Commissioner has directed officials to prepare a DPR for junctions along Bannerghatta Road.

Deccan Herald also reports that the GBA will prepare the DPR, while NewsFirst Prime says the plan covers junction upgrades and safer footpaths.

The New Indian Express reports the junctions are to be developed for smooth traffic movement.
